

Federal Energy Regulatory Commission

[Docket No. CP22-63-000]

ANR Pipeline Company; Notice of Application and Establishing Intervention

Deadline

Take notice that on March 2, 2022, ANR Pipeline Company (ANR), 700 Louisiana Street, Suite 1300, Houston TX 77002, filed an application under sections 7(b) of the Natural Gas Act (NGA), and Part 157 of the Commission's regulations requesting the authority necessary to abandon its Winfield Storage Field, including all associated facilities and base gas, located in Montcalm County, Michigan, all as more fully set forth in the application which is on file with the Commission and open for public inspection.

Specifically, ANR proposes to: (1) abandon 72 injection/withdrawal wells by permanently plugging and abandoning; (2) abandon 15 miles of associated storage lines in the Field, consisting of two 10-inch-diameter laterals, seven 6-inch-diameter laterals, and 82 4-inch-diameter laterals. Approximately 0.8 miles will be removed and 14.2 miles will be abandoned in place; (3) abandon 4.43 miles of a 16-inch-diameter storage lateral (Lateral 249) in its entirety from the Winfield Interconnect at milepost 0.0 to milepost 4.41, of which approximately 0.49 miles will be removed, 3.59 miles will be abandoned in place, and 0.35 miles will be cut, capped, and grouted; (4) abandon by removal the Winfield Compressor Station, including all below- and aboveground structures; (5) abandon by removal all above-ground appurtenances including pipeline markers, cathodic protection test stations, rectifiers, casing vents, and above-ground pipeline blowdown vents; (6) abandon in place remaining below-ground miscellaneous

appurtenances; and (7) permanently plug and abandon five observation wells located within the Field. The total estimated cost of abandonment is approximately \$35 million.

statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

PUBLIC PARTICIPATION

There are two ways to become involved in the Commission's review of this project: you can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on **April 6, 2022**.

Comments

Any person wishing to comment on the project may do so. Comments may include statements of support or objections to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be. To ensure that your comments are timely and properly recorded, please submit your comments on or before **April 6, 2022**.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number **CP22-63-000** in your submission.

- (1) You may file your comments electronically by using the eComment feature, which is located on the Commission's website at www.ferc.gov under the link to Documents and Filings. Using eComment is an easy

method for interested persons to submit brief, text-only comments on a project;

- (2) You may file your comments electronically by using the eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Comment on a Filing"; or
- (3) You may file a paper copy of your comments by mailing them to the following address below². Your written comments must reference the Project docket number (**CP22-63-000**).

Kimberly D. Bose, Secretary

Federal Energy Regulatory Commission

888 First Street NE

Washington, DC 20426

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or FercOnlineSupport@ferc.gov.

² Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

Persons who comment on the environmental review of this project will be placed on the Commission's environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission's environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

Interventions

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,³ has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure⁴ and the regulations under the NGA⁵ by the intervention deadline for the project, which is **April 6, 2022**. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an

impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

There are two ways to submit your motion to intervene. In both instances, please reference the Project docket number **CP22-63-000** in your submission.

- (1) You may file your motion to intervene by using the Commission's eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to Documents and Filings. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Intervention." The eFiling feature includes a document-less intervention option; for more information, visit <https://www.ferc.gov/docs-filing/efiling/document-less-intervention.pdf>; or
- (2) You can file a paper copy of your motion to intervene, along with three copies, by mailing the documents to the address below⁶. Your motion to intervene must reference the Project docket number **CP22-63-000**.

Kimberly D. Bose, Secretary

Federal Energy Regulatory Commission

888 First Street NE

Washington, DC 20426

⁶Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

The Commission encourages electronic filing of motions to intervene (option 1 above) and has eFiling staff available to assist you at (202) 502-8258 or FercOnlineSupport@ferc.gov.

Motions to intervene must be served on the applicant either by mail or email at: David A. Alonzo, Manager, Project Authorizations at ANR Pipeline Company, 700 Louisiana Street, Suite 1300, Houston, Texas 77002-2700; by phone at (832) 320 5477 or by email to David_Alonzo@tcenergy.com Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for parties can be downloaded from the service list at the eService link on FERC Online. Service can be via email with a link to the document.

All timely, unopposed⁷ motions to intervene are automatically granted by operation of Rule 214(c)(1).⁸ Motions to intervene that are filed after the intervention deadline are untimely, and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations.⁹ A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

⁷ The applicant has 15 days from the submittal of a motion to intervene to file a written objection to the intervention.

⁸ 18 CFR 385.214(c)(1).

⁹ 18 CFR 385.214(b)(3) and (d).

TRACKING THE PROCEEDING

Throughout the proceeding, additional information about the project will be available from the Commission's Office of External Affairs, at **(866) 208-FERC**, or on the FERC website at <http://www.ferc.gov> using the "eLibrary" link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. For more information and to register, go to www.ferc.gov/docs-filing/esubscription.asp.

Intervention Deadline: 5:00 pm Eastern Time on April 6, 2022.

Dated: March 16, 2022.
